

Things to know about the firehouse for your rental:

Capacity: 49 people inside, up to 60 people total as long as there are not more than 49 in the building at any given time. Also keep in mind that there is only one bathroom with one toilet available for events.

Noise: Residential neighborhood. No amplified music outside, no exceptions. Music inside must be minimally audible outside. This will be monitored.

Smoking: No smoking on firehouse grounds or adjacent corners. No smoking on sidewalks adjacent to nearby residences.

Decorating: Do not use nails, tacks or staples when decorating. If tape is used it must be a removable tape such as Scotch brand Removable Tape or painter's tape that will easily come off of painted surfaces without damaging the surface.

NOTHING may be hung from the ceiling tiles or ceiling brackets or the projector screen or housing.

Hours: All events must end by 10:00 pm. Cleanup must be complete by 11:00 pm.

Kitchen: The kitchen has a refrigerator/freezer, stove with oven, and microwave that may be used for events. There is no dishwasher and currently no hot water in the kitchen.

Cleaning equipment: brooms, dustpans, mop and bucket provided.
